PROFESSIONAL SUMMARY

Recent IT graduate with a strong passion for technology and problem-solving. Possessing a solid foundation in computer programming, software development, and database management, I have developed skills in Javascript, Python, SQL, and web development. Seeking an entry-level position in IT to apply my skills and knowledge while continuing to learn and grow in a dynamic and innovative environment.

SKILLS

- **Programming Languages:** JavaScript, Python, C++
- **Web Development:** React, Express, Node.js, HTML, CSS, TailwindCSS
- **Databases:** MongoDB

EXPERIENCE

Web Developer (Intern) , InternPe

July 2023

- As an intern my primary focus was on learning and gaining practical experience in web development.
- During my time there, I immersed myself in various aspects of front-end development, honing my skills in every field..
- As I embark on the next step of my career, I am enthusiastic about applying my newfound knowledge and skills as a developer to contribute effectively to innovative projects and make a positive impact on user's digital experiences.

EDUCATION

Bachelor of Engineering (Information Technology)

June 2020 -May 2024

Atharva College of Engineering, Mumbai University

CGPA 9

Class 12th - H.S.C

Feb 2018 –Feb 2019

BSGD's Jr College

Percentage – 69.38%

Class 10th – S.S.C

Mar 2016 – Mar 2017

Fatima devi English School

Percentage – 81.40%

PROJECTS

Blog Application

- Built a Blog application using ReactJS, Tailwind CSS, Appwrite and Javascript.
- Authenticated users with Appwrite, including form validation and storing data of users in database
- Learned,Creating custom hooks, Redux, React Hook Form, React Router and much more.

Booking Platform

- Developed a full stack hotel booking platform using Mongoddb, Express, ReactJS and NodeJS
- Deployed the application on Vercel, enabling to use the platform from anywhere.
- As a passionate and proactive learner, I embarked on this project to challenge myself and gain hands-on experience in MERN stack

To-do list

- Built a to-do list application using ReactJS, Tailwind CSS, and Javascript.
- Used browser's local storage to store and save the user data.
- Learned operating and managing CRUD operations.

LANGUAGES

- **Native** : Gujarati
- **Fluent** : English, Hindi.
- **Intermediate** : Marathi.
